MAXWELL CLINIC

Precaution after Injection Treatment

- It takes about 4 hours for the serum to be absorbed, so do not wash or shampoo your hair during this time.
- If you wish to dye or perm your hair, please wait at least 24 hours after the treatment.
- Wait 24 hours after the treatment before applying Minoxidil to your scalp.
- Please avoid smoking and drinking alcohol for best results.
- Advance booking is required if you would like to see a doctor during your appointment.
